

Dear GKD

A month has gone since I have left and yet it feels as if I was on my way to Disentis yesterday. I have been constantly thinking about the experience in Switzerland and the amazing people that I met.

Those two weeks filled with beautiful snow, great music, amazing food, spectacular views and angelic singing, will always be close to my heart and I will cherish the memories forever.

I am very grateful to have been given such an opportunity and I would like to send my greetings to all the teachers who gave of their time and energy to teach and educate me and the other exchange students.

I would also love to say thank you to the Rector, Mr. Roman Walker for inviting us and the Swiss Eduglobe Head, Mr. Ursin Defuns, for making the trip possible. Thank you for opening your school and giving your time to plan the experience.

My host family did so much for me while I was there, and I would like to send my appreciation and gratitude to them. Thank you Ladina, Madleina, Mr. and Mrs. Vieli for opening your home to me and making me feel welcomed. You made my stay in Ilanz very pleasant and my overall experience more enjoyable.

To all the friends and new people that I met at the school, thank you for your kindness. You will always be in my heart and I will never forget you. The visits to Chur, train rides, play day at Martin's, basketball and other activities will be memories that will always put a smile on my face. Without you the exchange would not have been the same and I can not tell you how much I miss you guys.

I wish you the best for the future and maybe one day we'll meet again.

Mit freundlichen Grüßen

Shalom
